

Village School Focus on the Arts 2008

Dear Parents,

The Village Middle School's "Focus on the Arts" is right around the corner – **April 5, 2008** - at Houston Baptist University's Morris Cultural Arts Center. The event will be the first of its kind by our students. In addition to each group performing, we will also have the band, choir, and orchestra present combined works for your entertainment. You will also have a chance to view a variety of art work by our talented middle school students.

This is a wonderful opportunity for you to observe the talents in our middle school fine arts department which begins early in our elementary curriculum. It might also help your child set goals for his future in the fine arts program here at The Village School. Those of you who have not seen either the artwork of our students or heard our students perform will be amazed with the quality of their displays and their performance.

To purchase your tickets, complete the form below and mail or turn in to the front office. **Tickets will be issued on a first come first served basis** when money is received. Checks should be made payable to **The Village School** (no cash accepted):
